ORDER REGARDING MOTION FOR SENTENCE REDUCTION PURSUANT TO 18 U.S.C. § 3582(c)(2)

Upon motion of ☒ the defendant ☐ the Director of the Bureau of Prisons ☐ the court under 18 U.S.C. § 3582(c)(2) for a reduction in the term of imprisonment imposed based on a guideline sentencing range that has subsequently been lowered and made retroactive by the United States Sentencing Commission pursuant to 28 U.S.C. § 994(u), and having considered such motion, and taking into account the policy statement set forth at USSG §1B1.10 and the sentencing factors set forth in 18 U.S.C. § 3553(a), to the extent that they are applicable,

IT IS ORDERED that the motion is:

☒ DENIED. ☐ GRANTED and the defendant's previously imposed sentence of imprisonment (as reflected in the last judgment issued) of _____ months **is reduced to** _____.
 (See Page 2 for additional parts. Complete Parts I and II of Page 2 when motion is granted)

The defendant is ineligible for a sentence reduction because the amendment is not applicable to the defendant, pursuant to USSG §1B1.10(a)(2)(A). The defendant received one criminal history point, pursuant to USSG §4A1.1(c), for a conviction for Fourth Degree Driving Under the Influence. Therefore, the defendant does not qualify as a Zero Point Offender under USSG §4C1.1. The defendant did not receive any status points and therefore does not qualify for a reduction based on retroactive application of USSG §4A1.1(e)(formerly (d)). In review of the Bureau of Prison's (BOP) Inmate Locator, the Defendant has transitioned to a Residential Reentry Management ("RRM") placement in Minneapolis and/or he may be subject to the BOP's location monitoring program, with an anticipated release date of September 30, 2024.

Except as otherwise provided, all provisions of the judgment dated 09/15/2023 shall remain in effect.

IT IS SO ORDERED.

Order Date: August 29, 2024
